If Diane agrees to help with a chapter 13 bankruptcy she will give you the fee & instructions.

THE "WHAT'S NEXT" EMAIL
Diane will send an email with a link to our web site. Order your free credit reports.
VERY IMPORTANT-print & read instructions for MyCaseInfo.

MYCASEINFO:
Diane will send an invitation to access MyCaseInfo. This will take 6-8 hours, but to make your life easier, please use the instructions to fill out MyCaseInfo (see the 'What's Next' email).

FINISH MYCASEINFO:
Once you have done a very good job completing all the information in MyCaseInfo, press the button "send to attorney" so we will receive it. Please call if you have any questions.

BAD JOB: Some do a bad job on MyCaseInfo. If so, Jay will send it back to fill in missing information. We don't want that to happen. If you have questions, first read the instructions, then call Jay.

GOOD JOB: If you did a good job filling out MyCaseInfo, Diane will call to schedule your Zoom appointment, plus list the documents you email us.

FIRST ZOOM MEETING Jay will send a list of required documents, & Legal Services/Disclosure agreements. Once those documents are sent, call to schedule your Zoom meeting with Diane for 3 hours. Then pay 1/2 of your fee. At that meeting you will review & edit your MyCaseInfo (now called the "60-page form"). Don't use a cell phone—the print is too small to read. After the meeting, you will receive a PDF draft of the "60-page" form to review and edit. Read the instructions on editing the PDF form..

CREDITOR-CALLS: Once you sign the Legal Services Agreement & pay a portion of your fee you may give callers our contact information to callers. This does not stop lawsuits. That happens when the bankruptcy is filed.

NEXT MEETING? Call for the next meeting after you edit the forms and follow Diane's instructions to fix (bank accounts balance, etc.) & pay balance of any fees.

OUR NEXT ZOOM: The day before the meeting, send Jay any additional documents, the edited "60-page" form & pay any balance due. You will meet with Diane & Jay for 1 to 2 hours to finalize changes to the forms. After the meeting you will receive the amended "60-page" form to review. Signature pages will be sent by eSign. We file your bankruptcy once you send the signature pages.

CREDIT COUNSELING COURSE:
Before your bankruptcy can be filed you must complete your credit counseling course. Suggestions for providers were in Diane's *What's Next* email, or call our office.

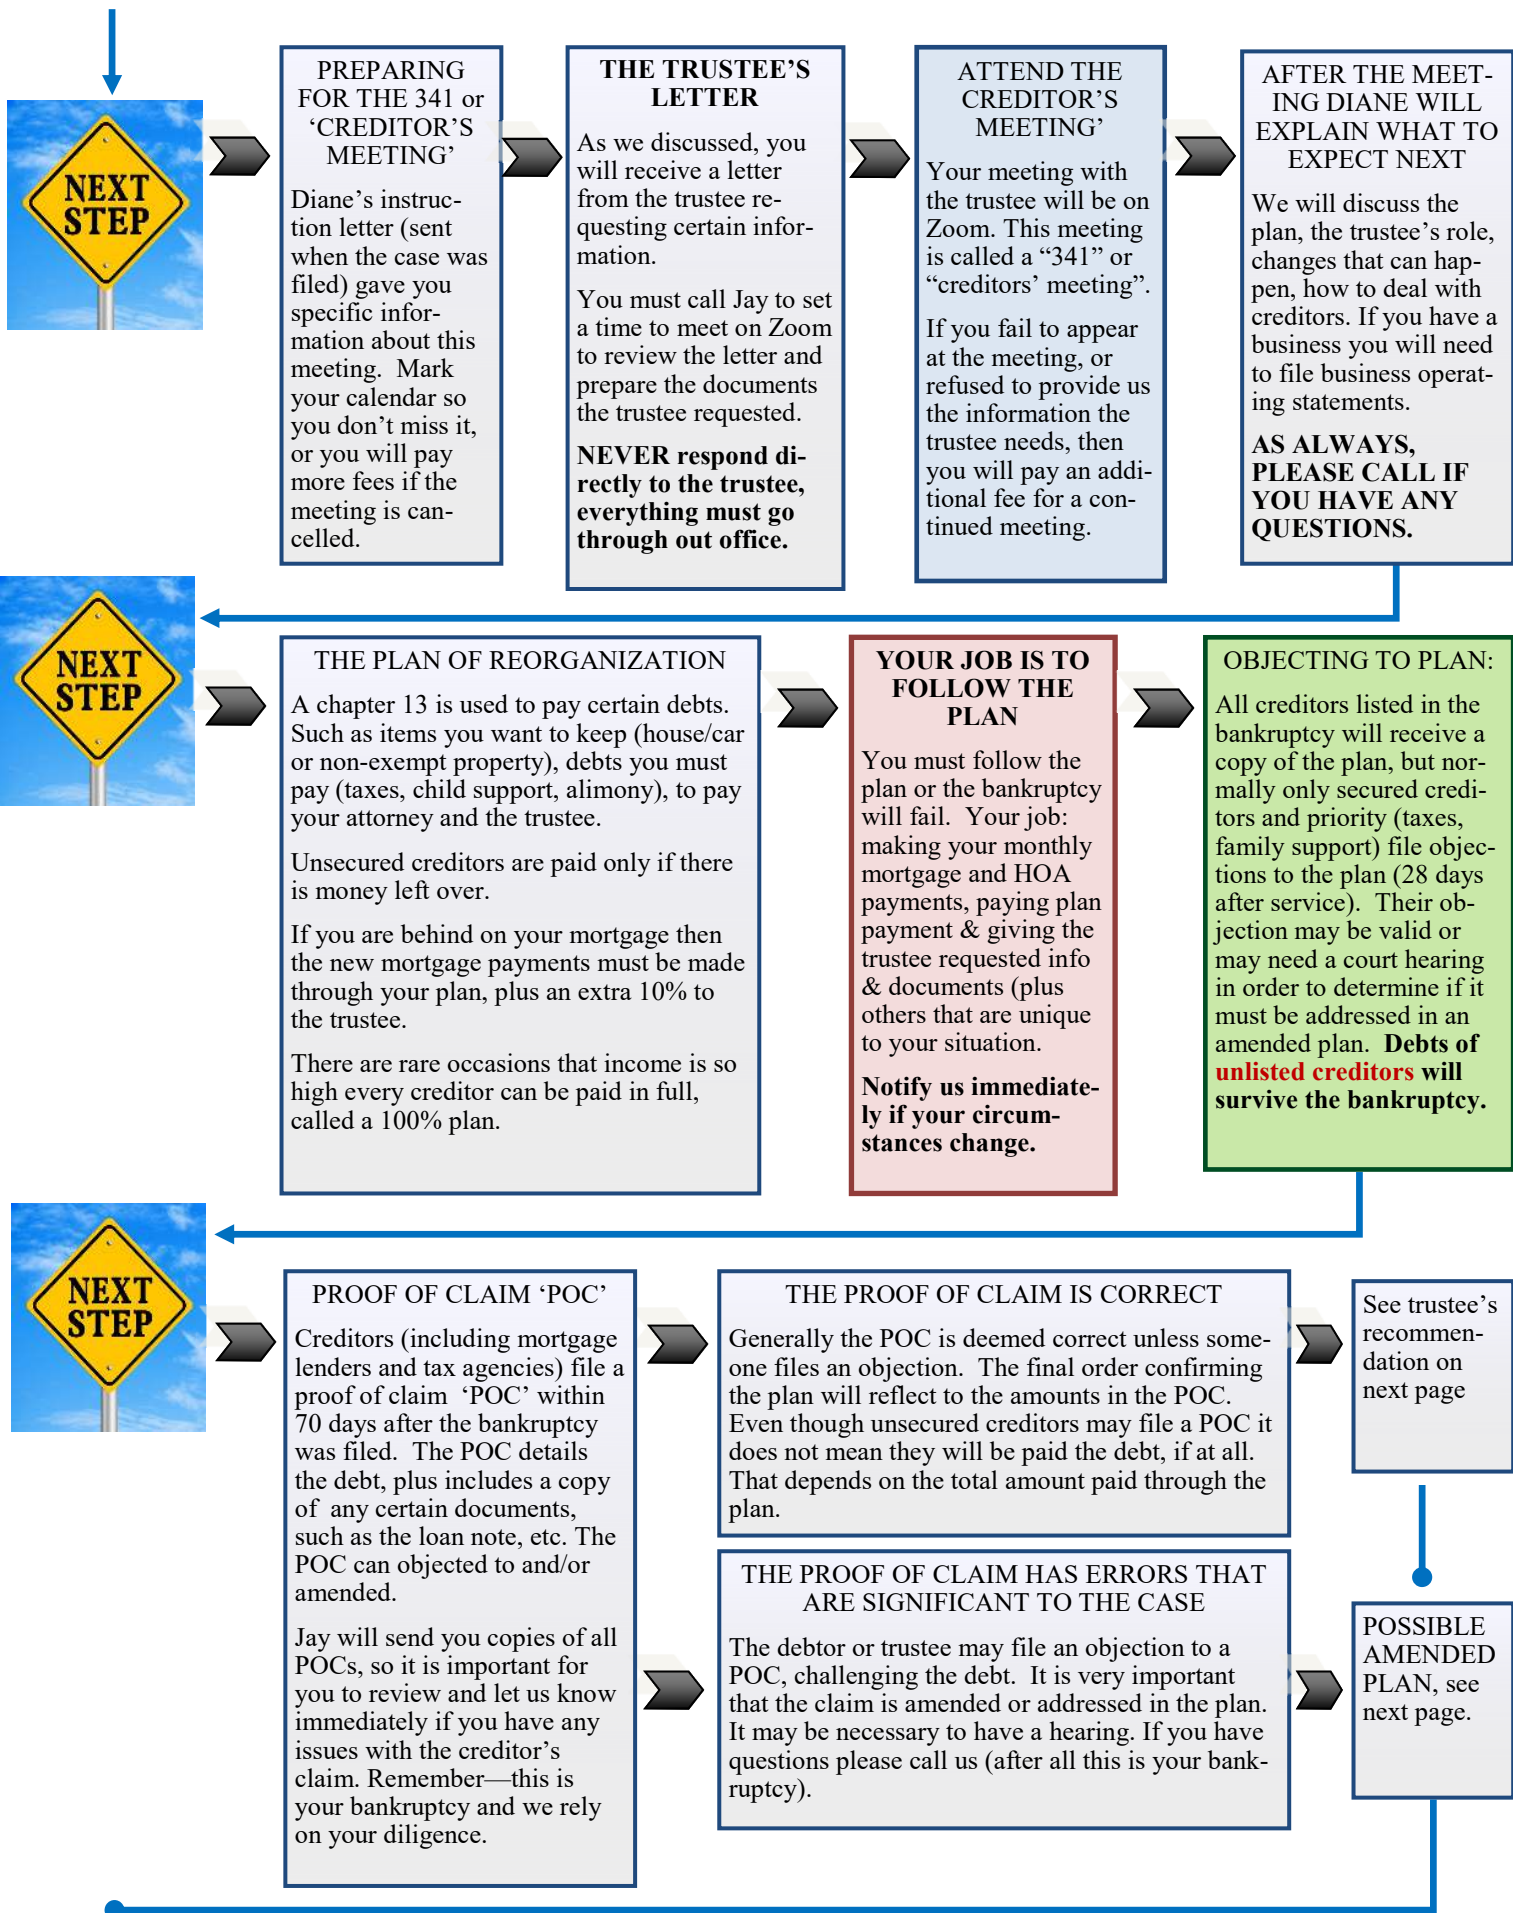

FINAL REVIEW BEFORE FILING
After you eSign the signed pages, Diane will review your documents and call you if there are any questions. It is possible it may be necessary to wait to file. Remember all information must be up to date & accurate.

FILING DOCS WITH THE COURT:
After we receive your signed documents and review the documents, we will file the bankruptcy, send you a copy of the documents, and instruction letter. In 2 weeks the court will notify your creditors about the filing. Meanwhile, give them the case number and our contact info.

DIANE'S INSTRUCTION LETTER:
Diane's letter will have your case number, the date & time of the trustee meeting (on Zoom) and sample questions. Also suggestions for the financial management course, plus much more. **REMEMBER- ANY FUTURE INHERITANCE or DIVORCE RIGHTS IS AN ISSUE.**

FINANCIAL MANAGEMENT COURSE
Take the second class **BEFORE** the trustee meeting, send Jay a copy. See suggestions in Diane's instruction letter. Call if any questions.

THE TRUSTEE'S RECOMMENDATION

About 3-4 months after the bankruptcy is filed the trustee must file a recommendation to the original plan setting out all the requirements that must be addressed in order for the current plan to move forward for court approval. There is a 30 day limit to respond to the recommendation so we need you to respond immediately when we ask for your help.

IMPORTANT: If you refuse to comply with any request your case will be dismissed, but you will still have a bankruptcy on your credit reports, plus you still owe the attorney fees.

THE PLAN CAN GO FORWARD WITHOUT SIGNIFICANT CHANGES

It is rare that the first plan is approved the first time. It depends on the accuracy of the information you provide before the bankruptcy was filed—such as taxes, mortgage arrears, vehicle value, back child support or alimony and the value of your non-exempt assets.

Attorney fees are based on the amount of work done in your case. The better job you do at the beginning the lower the attorney fees.

STIPULATED ORDER CONFIRMING THE PLAN "SOC"

You, your attorney, the trustee, sometimes a creditor, must all sign the SOC. Then the judge will sign and the SOC becomes binding on everyone, including you.

THE PLAN NEEDS SIGNIFICANT CHANGES

In order to address issues raised by the trustee or important creditors it will be necessary to file an **AMENDED PLAN**.

AMENDED PLAN

AMENDED PLAN:

The amended plan must deal with issues raised with the first plan. You may be required to provide additional documents. We may need to object to a POC. If your income changes even after the plan is confirmed we are required to amend or modify the plan. This duty continues throughout the life of the chapter 13.

Additional attorney fees will be charged with each amendment or modified plan.

OBJECTING TO AMENDED PLAN:

As with the original plan, creditors have a right to object to their treatment. It may be necessary to ask for a hearing to deal with anything significant.

A creditor may object to the amended plan if you defaulted on the terms of the plan—such as failing to pay your mortgage or HOA, or failure to make the plan payment.

NOTE: paying the plan payment on time will help rebuild your credit.

THE TRUSTEE'S RECOMMENDATION

Again the trustee will file a recommendation to the amended plan, setting out all the requirements that must be addressed in order for the amended plan to go to the court for approval. Again, there is a 30 day limit to respond to the recommendation. Help us help you by responding quickly to our requests for information or documents.

STIPULATED ORDER CONFIRMING THE PLAN "SOC"

Once we have dealt with the trustee recommendations and any objections to POCs, you, me, the trustee, sometimes a creditor, must sign the SOC. Then the judge will sign and the SOC becomes binding on everyone, including you. We will send you a letter explaining the process. **Please read the letter.**

IMPORTANT: CHANGE OF YOUR CIRCUMSTANCES

It is very important that you notify our office if there are significant changes in your financial situation (income, employment, divorce, medical, housing, etc.)

It may be necessary to file a **MODIFIED PLAN** (this is no longer called an amended plan) or to go in another direction—like dismissal or converting to chapter 7. Call if you ever want to discuss other options.

FEE APPLICATION(S):
 During the life of the Plan we will file one or more fee applications, it depends on the amount of time spent on your case. The more changes you make, the more attorney time is necessary and the more expensive it becomes. You will receive a copy of the application and a description of the time spent.
 Typically once a year we review your file to determine if we should file a new fee application.

NOTICING THE FEE APPLICATION
 The trustee and all of your creditors will receive a copy of the fee application, with a notice of the deadline to file an objection. It is very rare for anyone to object.

ORDER FOR PAYMENT OF FEES
 Once the deadline to object to the fee application expires, we file an Order with the court. This Order will require the trustee pay the fees with the funds you have paid through the plan, or if you do not pay enough then you are responsible to pay the additional fees after the plan is completed, or your case dismissed.

LIEN STRIP:
 Depending on your circumstances we may be able to file a legal action to eliminate a junior mortgage on your home. This is something we will discuss in detail.

LIEN STRIP COMPLAINT
 A series of processes must be completed in order to eliminate junior mortgages or pre-petition HOA debts. The lien strip order is only effective if you finish your chapter 13 plan and receive a discharge.

LIEN STRIP ORDER
 This order is effective only **after your chapter 13 is completed** and the discharge is entered by the Court. At that time we will have a copy of the Order recorded with the County Recorder's Office and send you a copy for your records.

CHANGE OF CIRCUMSTANCES:
 While you are in your chapter 13 it is not unusual that your circumstances change. Perhaps loss of job, illness, divorce, new child, death of a spouse, you cannot afford the house anymore, your vehicle dies, etc. If this is a short term situation and you can afford your plan payment there is nothing for you to do. But, if this is a serious financial burden please call so we can see what options might be available.

CONVERTING YOUR CASE TO A CHAPTER 7:
 When you filed the chapter 13 there were reasons which may no longer be true. Perhaps you want to give up your home or your income decreased. Assuming you qualify you can convert to a chapter 7.

A chapter 7 trustee will be assigned and a new meeting of creditors date.

DISMISSING YOUR CASE:
 You may decide that bankruptcy is too complicated or does not do what you expected. Your case can be dismissed (with certain restrictions), but you will always have this bankruptcy on your credit report and creditors can sue, garnish wages and bank accounts.

The court will enter an order dismissing the case.

MODIFIED PLAN:
 If your income increases more than 10% we need to file a modified plan with new payment terms. There may be other reasons for a modified plan, such as a new payment structure which addresses other income issues.

The Plan process starts over again

MODIFYING THE PLAN
 Once the plan has been confirmed any changes after that are referred to as a modified plan. The process is the same as before. The creditors are notified, they can object, the trustee files a recommendation and we deal with any issues.

STIPULATED ORDER CONFIRMING THE MODIFIED PLAN "SOC"
 Once we have dealt with the trustee recommendations and any objections to the modified plan, you, me, the trustee, sometimes a creditor, must sign the SOC. Then the judge will sign the SOC and again becomes binding on everyone, including you.

BUYING OR SELLING A VEHICLE or HOUSE

During your chapter 13 you must get permission to take out new debts, including opening a credit card. You also need a signed court order in order to refinance or sell your home, which means filing additional documents. and additional attorney fees.

REQUIREMENT TO PROVIDE THE TRUSTEE DOCUMENTS

Your plan will require you to provide the trustee copies of your tax returns while you are in the bankruptcy. Please put a reminder on your calendar.

ANNUAL REPORTS

The trustee files annual reports indicating how much you paid, who they paid and how much is still owing. Read those reports and let us know if you have any questions.

PLAN PAYMENTS

The plan requires that you to make plan payments during the life of your chapter 13 case, that includes your mortgage, if any. Don't forget to make the payments on time (it help rebuild your credit). Call us if you have any questions or significant changes.

COMPLETING THE PLAN

The trustee will require a statement that you completed all Plan Requirements and, if did not do so already, you **MUST COMPLETE & FILE THE FINANCIAL MANAGEMENT COURSE** (talk to Jay if you don't remember if this was done). The mortgage company also have a form to complete.

DISCHARGE

Once the trustee reports to the court that you finished all his requirements, the court will enter a discharge (assuming you filed your financial management course certificate).

You fought very hard to obtain the discharge so keep a copy in your important records.

CREDITORS

I will say it again, only the creditors listed in your documents will be discharged. Your chapter 13 was designed to pay back taxes, child support, alimony. The rest of the debts, not paid in full are discharged.

The discharge does not specifically identify the debts not discharged.

DEBTS THAT SURVIVE THE CHAPTER 13 DISCHARGE

There are some debts you will still be responsible for: unlisted creditors, new debts you took out during the chapter 13, student loans, any unpaid taxes (which might include interest that accrued during the bankruptcy), or new taxes, unpaid child support or alimony are also not discharged.

CLOSING THE CASE

Once the trustee files his final report the US Trustee will review the file. Shortly after that the court will enter an order closing the case.

Beware— the court or trustee can reopen the case if you failed to list all your assets, or you failed to disclose an inheritance, insurance proceeds or law suit settlement you had a right to during your chapter 13.

FIREWORKS EMAIL FROM DIANE

Once the court enters the order closing your case, we will send an email with fireworks. This means that both you and the trustee have done everything necessary.

Jay and I would really appreciate a review or two about our firm.
